

ESTABLISHED 1875.

THE NAME ROUNTREE

Is a guarantee of superior manufacture, because **QUALITY** has always been the first consideration of the H. W. Rountree & Bro. Trunk and Bag Company.

From the selection of the raw material, including labor and machinery, through every process, to the finished product, one standard is maintained--the highest degree of possible perfection.

The Trunk and Bag designers are experts, and in every department of the immense plant the workmen are skilled operators of years of experience and the best of their kind that can be secured. Large purchases of raw material enable us to buy cheaper than our competitors, therefore you receive the greatest value for your money when you

Buy from Rountree.

The completeness of the line of goods manufactured by **Rountree** adds to the general satisfaction of the buyer--the matter of selection rests with you.

A stock of Trunks and Bags equal to any in the world, and we are equipped to make special designs to your order.

There is a full line of Trunks, including the Famous Roller-Tray Steamer Trunks, Cane-Covered Trunks, Wardrobe Trunks, Sample Trunks, Skirt Trunks, Packing Trunks of every kind--in fact, any kind of Trunk that may be desired, fitted with every kind of packing accessory.

Suit Cases, Hand Bags, Grips, Shirt Bags, Luggage Bags, etc., at prices ranging from less than a dollar to the Superb Bags and Cases in genuine Alligator, Walrus, Hogskin, Calfskin, etc., containing traveling kits, with toilet articles of cut glass and sterling silver.

The Roller-Tray Trunk,

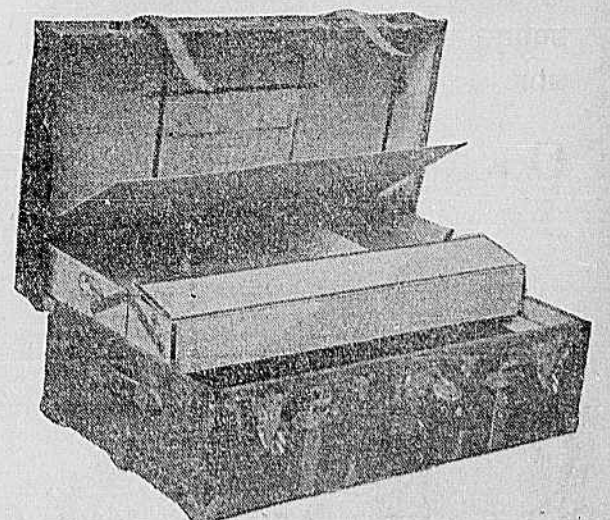

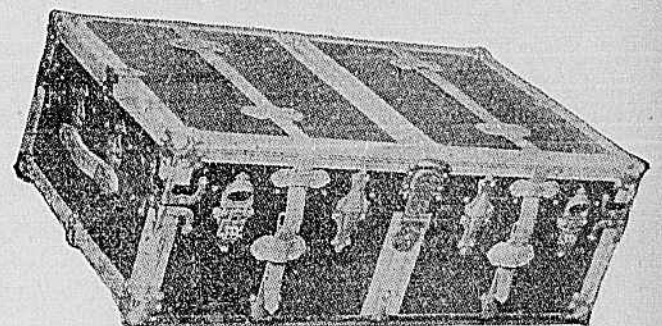

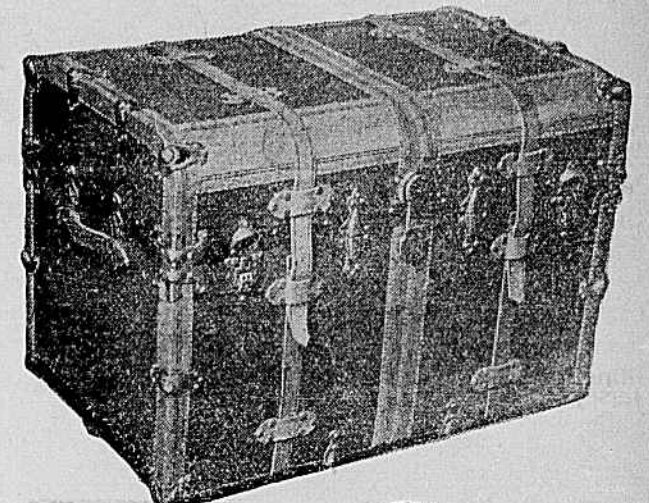

manufactured exclusively by Rountree, has long been known as the highest type of convenience as applied to trunks. There are many kinds of automatic and self-lifting trunk tray devices, but they are complicated, cumbersome and easy to get out of order. There is only one that is perfect--Rountree's Roller-Tray. To get at the contents of a Roller-Tray Trunk, you simply push the tray back without exertion. It folds conveniently out of the way, leaving the contents of easy access. No back-breaking by lifting heavy trays. You owe it to yourself to own a Roller-Tray Trunk.
